## ***The Big Picture - Bringing it Back! Adventures In Time!***

***The ultimate time travel series for kids celebrating people & stories from America's history.***

**There are oodles of fascinating people in America's history.** Through vast imagination, history, interaction, music, and a dash of historical fiction *Adventures in Time! The Ultimate Time Travel Series for Kids* highlights well-known and lesser-known people from American History. This exciting series is the relaunch of the Award-Winning theatrical show *The Bea & the Bug Extravaganza for Children*®. It received *The Best Family Show*.

**In each episode, three bugs** BungleBug®, HoneyBea® and DragonFly®, and **two kids**, Morgan and Trevor are featured. The best friends travel back in time to meet one or more people from American history. This contemporary historical series will be in theaters and taped for online streaming and viewing.

At this time, adult actors will play the bugs and the kids. Each unique episode could include one to five additional actors who will play the historical character(s) featured in an episode.

**This interactive series** will be filled with catchy, memorable original tunes sung by the kids and the bugs accompanied by a band. The audience will get to participate through a team of energetic volunteers in the audience. The lyrics will be on screens, and in the printed program for the audience to take home. For home viewers the lyrics will be on the website and on social media. At the end of the online episodes children's celebrations provided by parents will be recognized. This *is* the ultimate Kids Show!

**The target audience** will be children ranging from kindergarten to fifth grade, inner-city, the burbs, public and private schools and family entertainment. The series will be written to engage parents and older children, too, with the goal to inform its audience about Americans and stories from American history. **A road show** will be created, highlighting historical people in the geographical location where it is performed. Ancillary products will be created and sold.

**Proven scripts ready to produce again** feature young Thomas Jefferson, Nellie Bly, Benjamin Banneker, Lewis and Clarke, Dr. Charles Drew, Eleanor Roosevelt, Duke Ellington, Amelia Earhart, and Pierre L'Enfant. Scripts in development include Earle Dickson, George Washington Carver, First Lady Dolly Madison, young George Washington, Mary Jane McLeod Bethune, 355! So many people! **Formerly performed at** Carter Barron, Children's Hospital, Chesapeake Arts Center, The Capital Fringe Festival, First Night-Alexandria, VA and now... ?
